Spring Support Services Conference!

Saturday, February 27, 2010

Boston Latin Academy

Family Forum

Please join us on **Saturday, January 30 from 9:30 a.m. to 11:00 a.m.** at **Boston Latin Academy** for a Family Forum open to all adult family members of high school Scholars. This will be an open forum for you to share your challenges, successes, and suggestions on how to cope with others who are experiencing similar situations.

Co-facilitated by Luz Mederos (a Support Services Advisor) and Angela Bouchard (Director of Counseling Services), we hope to provide you with some guidance, tips, and feedback to help you successfully navigate the remainder of the academic year.

RSVPs not necessary but helpful - 617-423-6300 x 248 or abouchard@tsf.org

Facebook

Steppingstone has joined Facebook! We have a fan site dedicated to you, Support Services Scholars. Join our fan site to stay up to date on new events, college tour dates, discussions on great books, or just to say hello to your Advisor.

College Reminders

Freshman, Sophomores and Juniors:

College tour info: Freshman, sophomores and juniors please be on the lookout for tours this spring! There will be tours in both March and April so that we can serve independent school and exam school Scholars!

Reminder: If you are interested in attending, RSVP as early as possible because they will fill up!

Juniors:

Kaplan: You should have received both an email and a hard copy of new instructions that will guide you in finding a Kaplan course.

If you are going to take the SAT this spring, put your best foot forward and start preparing now!

Seniors:

College acceptances: Steppingstone not only wants to know where you will be going to college, but also where you were accepted, denied, and waitlisted. This is important information for future Scholars so please take two minutes out of your day and email or call your Advisor!

Summer Opportunities and Funding

Summer Opportunities Fund

The objective of this funding program is to help Steppingstone Scholars secure funding to participate in summer opportunities that will strengthen their candidacy as applicants to four-year colleges.

Application Requirements

High school Scholars who are eligible for Support Services may apply for funding through Steppingstone. Scholars may apply more than once, **but may receive funds for only one summer program during their tenure as a Scholar. Scholars may receive funding of up to \$2,000 or 75% of the cost of the program (whichever is the lesser amount).** Since this process is selective and funds are limited, we encourage early applications. The remaining deadlines for this year are February 20, March 20, and April 17. A committee of Steppingstone staff will review applications and make recommendations for fund allocations to selected Scholars.

For applications please visit http://www.tsf.org/documents/Application_10.pdf or contact your advisor.

The Food Project

The Food Project's mission is to create a thoughtful and productive community of youth and adults from diverse backgrounds who work together to build a sustainable food system. Each year, nearly 100 youth, ages 14-17, enter The Food Project's Summer Youth Program and work to grow and distribute thousands of pounds of organic produce for people in need. During the summer program, youth farm on both urban and suburban land, sell produce at farmers' markets, and prepare and serve lunches in local soup kitchens and homeless shelters. Youth workers are paid \$200/week, make new friends from a diverse group of extraordinary youth and take on new challenges that improve leadership and teamwork skills. Steppingstone Scholars have participated in this program in the past and had a great time!

Application Deadline: Friday, March 19, 2010
